

## Are you moving house this spring?

Use our House Move process to ensure EquiGas and EquiPower are the gas and electricity tariffs at your new property.

To register a House Move now, please call our customer service team on 0845 456 0170 or 01993 894415. They will be happy to take all the details, to ensure you take your simple Ebico tariff to your new home.

## Smart metering - what does it mean for you?

Ofgem, the gas and electricity industry regulator, has written a factsheet for customers on smart metering. The factsheet outlines the plans for smart meter installation and how Ofgem believes customers will benefit from the meters.
