

## Happy Birthday to the Ebico Trust!

Our Ebico Trust for Sustainable Development is celebrating its 2nd birthday! The Trust was set up in March 2009, in the pursuit of reducing fuel poverty and tackling climate change.

The Trust is a registered charity. It enables us to support initiatives that improve the energy efficiency of the homes of low income householders. The various initiatives we sponsor offer support and advice on saving energy - helping to reduce fuel bills and prevent future debt.

Over the past two years we have supported many projects, [read on](#) for further details.

### Are you entitled to free insulation?

If you receive a benefit, such as Housing Benefit or Council Tax Benefit, and you own your own home or rent from a private landlord, you may qualify for a grant to help you insulate your home.

### Doorstep selling

Ebico is keen to highlight instances of doorstep mis-selling of gas and electricity. If you have experienced this (perhaps being urged to switch only to find you paid more) and are keen to share your experiences, please tell us here.

### Moorlands Housing Partnership

We have recently partnered with Staffordshire-based Moorlands Housing, a member of Harvest Housing Group, to offer customers fairer gas and electricity prices to heat and light their homes throughout the cold winter months.

### Radiator Booster Review

What is it?  
A small fan that goes along the length of your radiator, blowing the heat produced out of the radiator into the room. It is in an oblong container and has holes at the bottom to distribute the heat.
