

Win, win, win with our summer survey...

Summer is just around the corner and we will be giving 5 lucky winners a beautiful picnic hamper if they take part in our latest survey.

The survey, this time, is all about your energy use and savings. The closing date is 3rd June 2011 and to take part all you have to do is enter below. Good luck!

Home Energy Expert

Have you taken advantage of our FREE Home Energy Expert service yet? Email our Home Energy Expert with any energy questions relating to your home. From lowering your heating bills to blocking out those draughts, it is a free service to help you and your family keep warm this winter. Find out more about our [Home Energy Expert service](#).

Meter readings

To prevent surprisingly high bills turning up on your door-step this winter simply email or call up with up-to-date metering readings regularly. This will ensure that your gas or electricity bill is accurate and your direct debit payments are the appropriate amount each month.

Are you moving home?

Any property that you buy, sell or rent will need an EPC - an Energy Performance Certificate; this shows the energy information about the property and how it can be made more efficient - for tips and ideas to help you with this, take a look at the energy advice section of our website
